Company: Astrosoft (Mahalaxmi) from July 1998-2000.

Designation: Graphic Designer

Projects of Astrosoft:

• Catalog Designing:

A shoe catalog of 8 pages creatively designed for Astro Group of Company.

• Complete Web Site Designing:

After 15 days of R & D for Electronic Greeting Cards Site, initiated with designing exciting colorful layouts using Photoshop for www.orangepie.com and launched the site with 50 exciting categories within 3 months of time.

- Outlined sketches of cartoons drawn category-wise, scanned & acquired in Photoshop
- Layered images colored and gif animated.
- A new concept of Flash Animated Cards done.

My part in www.orangepie.com was throughout from planning, logo designing, creative implementations, sketching cards, designing layouts, banners, themes, coloring sense, animations, browser compatibility, loading time and with many minute details followed. Enjoyed the job thoroughly and creatively. Finally the site is online with 186 categories. Flash based games, java applet cards and flash cards with 50 more categories coming soon. For some reasons the site is closed by Astrosoft Company now as its under auction.
